PART 1: INDUSTRY LICENSE APPLICATION

A. INSTRUCTIONS

PART 1 OF THE APPLICATION

Mail or deliver the following to Virginia ABC Headquarters in Hanover (address located at the top of each page of the application). Applications can be accepted at regional offices; however, delays in administrative processing may result from this method of submission as regional offices must forward all applications to the Central Office.

- Part 1, Sections D–P of the application.
- Nonrefundable** application fee(s) of \$195 per application. Each type of license applied for requires a separate application form. (*Exception:* You may combine your request for a wine and beer license and a mixed beverage license in one application form, but you will still be charged two application fees equaling \$390.)
- Fee for criminal background check(s). To calculate fee: Multiply the number of persons who must submit a personal data sheet (Section F—Related Individual Entity) x \$15. (*Exceptions:* Background checks are not required for shippers. Background check fees are not applicable for out-of-state applicants.)
- Review the lists of required documents; submit any available documents from these lists along with Part 1 of the application.

ADDENDUM: Related Business Entity (*if needed*)

ADDENDUM: Continuation of Operations Permit (COOP)

If assuming or continuing operation of an existing Virginia ABC licensed establishment.

PART 2 OF THE APPLICATION

Note: Verify that Virginia ABC has received Part 1 of your application and your application fee(s) before proceeding to Part 2.

- Post Notice on proposed place of business (see pgs. 17-18).
- Publish Newspaper Notice (pg. 19).

Note: An ABC license cannot be issued until:

- Any local government or citizen objections have been resolved. Code of Virginia compels Virginia ABC to afford citizens of the Commonwealth 30 days, from the date of first newspaper publication, in which to lodge a valid objection to the issuance of an ABC license.

ADDENDUM — CONTINUATION OF OPERATIONS PERMIT (COOP)

A. GENERAL COOP INFORMATION

Code of Virginia § 4.1-212 A 16 states: Any person who, through contract, lease, concession, license, management or similar agreement (herein after referred to as the contract), becomes lawfully entitled to the use and control of the premises of a person licensed by the Board to continue to operate the establishment to the same extent as a person holding such licenses, provided such person has made application to the Board for a license at the same premises. The permit shall (i) confer the privileges of any licenses held by the previous owner to the extent determined by the Board and (ii) be valid for a period of 120 days or for such longer period as may be necessary as determined by the Board pending the completion of the processing of the permittee's license application. No permit shall be issued without the written consent of the previous licensee. No permit shall be issued under the provisions of this subdivision if the previous licensee owes any state or local taxes, or has any pending charges for violation of this title or any Board regulation, unless the permittee agrees to assume the liability of the previous licensee for the taxes or any penalty for the pending charges. An application for a permit may be filed prior to the effective date of the contract, in which case the permit when issued shall become effective on the effective date of the contract. Upon the effective date of the permit, (a) the permittee shall be responsible for compliance with the provisions of this title and any Board regulation and (b) the previous licensee shall not be held liable for any violation of this title or any Board regulation committed by, or any errors or omissions of, the permittee.

For the purposes of this application the term contract will be defined as above. The terms "previous owner" and "previous licensee" shall be interchangeable with the term "current licensee." The term "permittee" shall be interchangeable with the term "applicant entity."
